
NOTE FROM NICOLE

God's Helping Hands, Inc. - Fall Newsletter 2015

Internship Program

I have a new job description this year - Internship Program Supervisor. I'm happy to announce that GHH has an intern from Frontier School of the Bible in Wyoming! Sarah will be with us from September through May 2016. Our hope and prayer is that we can introduce her to many ministry opportunities and share a philosophy of ministry that values children's spiritual needs of salvation and discipleship so they become an equal part of the body of Christ.

Please pray for:

- Wisdom as I will be directing/organizing many of her projects and communicating with Frontier on a monthly basis with her progress.
- Sarah as she will be learning many new things. That she will enjoy her internship and have a willingness and love for service.

Our 10 week summer tour,

has come and gone once again. It's always wonderful being on the road traveling, sharing the good news of Christ with children and their families! It's an extra special blessing when I'm able to lead a child to Christ, and that happened this year! She and I had a good talk about God, sin, and Jesus being our sacrifice. I walked her through some verses in Romans and asked if she understood and wanted to be a part of God's family. She said yes and prayed! Before she went back to her group she asked me a question.

"Can you write out for me that verse you said?"

"Sure!" I said, "which one?"

She replied, "The one about the gift of God. Romans 3:23. I gotta take that home and tell my mom about this verse!"

It's stories like this that make the angels in heaven rejoice and make me rejoice, knowing I'm right where God wants me to serve Him!

Please pray for spiritual growth of all the kids that got saved this summer and continue praying for our team as we head into our fall schedule. We have some missions conferences and one-time programs lined up, along with the work at the home office. It's hard to believe that we are already getting ready for our 2016 series!

IFCA Youth Convention - Cedarville University

Our team had a unique opportunity the beginning of this summer. We were asked to be the keynote speakers at the IFCA Youth Convention. We had a wonderful time there ministering to the teens by incorporating puppets, drama, and our testimonies into the services. We were able to present a couple workshops as well.

By the end of the week, we were asked by one of the pastors there to come and present a similar program to his church! We are very excited for this new contact and will be heading to St. Louis, November 12-18.

Surprise!

This September I turned 30! So my parents thought they would be sneaky and throw a surprise birthday party for me in August.

Our team had just finished VBS on a Friday night at my church I grew up in, in Chicago. I thought we would be heading back to Michigan on Saturday, but was I wrong! Haha. An "impromptu" last minute outing with my dad and brother kept me busy Saturday. They were good at distracting me until evening, when I was shocked with a wonderful party, celebrating with family and friends!

I'm usually able to figure things out, but they definitely surprised me this time! I had no idea. It was such a special way to remember the big 3-0!

Many, many thanks for your prayers and support! If I can pray for you, please feel free to email me! I'd love to know how you are doing too!

Support Level

Support received from
9/1/14 - 8/31/15:
\$15,358.85

51% of annual income:
\$30,142.32
