

# Note from Nicole

It's awesome to see how God works though His people if we are willing to obey Him.

We heard a story from a mom this summer, she and her son wanted to invite a little neighbor boy to our VBS. Another mom she knew said, "Oh don't bother trying to invite him, his mom's an atheist and won't let him go to church." She knew God wanted her to invite this boy, so she called the mother and asked if her son could go, and she said yes! That night at VBS, that boy heard the gospel and wanted to know more about how he could be saved from sin! We were able to talk with him and he prayed to accept Christ as his Savior! He was not allowed to come back anymore that week. Please pray that God would bring godly people into his life to help him, and please pray for his mom that she would be saved too.

We have a brand new Christmas program called *In Time for Christmas*.

In previous years, we have just set up a black curtain puppet stage; but this year we are pulling out the time machine blueprints from the former summer series, *Truth Travelers*. So I'm already grabbing my paints for the new stage that needs to be designed. I'm not used to painting a stage in the fall and the spring. I'm excited though, it will be a good change. New material also means practice! So if you think of us around December, please pray that everything will go smoothly.

## FAMILY UPDATE

If you may remember from my spring newsletter, I mentioned that we were waiting for the arrival of my niece! Well, she's here now and already 5 months old! Saoirse (pronounced Seer-sha) Kathleen Bielawski was born on April, 16th and is healthy and growing so fast! I can't get enough of her! She's so precious and beautiful; it was hard not flooding this newsletter with pictures of her.

My mom is on the homestretch of her cancer journey! She just had her final surgery in September and is going through some physical therapy now as part of her recovery. She will finish her chemo treatments the end of December. Thank you so much for your prayers! My whole family has been blessed by your kind encouragement too. Also, as you can see, she is really loving being a grandma!

## Support

2016 Jan-Aug - \$10,754

2015 Jan-Aug - \$11,591

2015 Total giving - \$18,772

Annual need - \$35,840

As you can see, my support to date is less this year compared to last. I also had a couple large gifts in Nov/Dec last year that helped my support income. **Would you prayerfully consider becoming a part of my financial team?** Thank you, friends!
